Blessings,

As you may be aware, we have had to shut our doors due to the last Coronavirus outbreak in our area. This last outbreak hit close to home for a lot of our congregation members and their families including us. Sis. Melissa and I have both had two negative results and are ready and excited to see you this coming Sunday January 10th, 2021 as we re-open our doors. Our service will begin at 10:00AM.

As we know the Word of God declares in **Hebrews 10:25** Do not neglect our gathering together, as some people do, but come together and encourage one another, especially now that the day of his return is drawing near.

We are excited about seeing you and your entire family as we incorporate a "Children's Activity Package". They will be with us in the sanctuary with their package and it will include a short video that will be played during our offering time.

Because we love you and for your own protection we are setting and adhering to the following guidelines. {these guidelines will be posted near the entrance}

- ⇒ Enter with a MASK and leave it on unless you are at your seat.
- ⇒ The seat clusters are already situated 6 feet apart and are designed for households/carloads only - please select a group of seats that best matches the number in your group.
- ⇒ As soon as you leave your seat for whatever reason, please put your MASK back on.
- ⇒ Please DO NOT come to church if you are not feeling well; join us online.
- ⇒ If you or someone you have been around has been exposed to the virus, please stay home for 14 days. If you test positive, please do not return to church until you have a negative test result, at least 10 days have passed since first showing symptoms, and you do not have a fever. Please join us online!

***I was glad when they said to me, "Let us go into the house of the Lord."
Psalms 122:1***

God's blessings to you and your loved ones,
