Youth Field Trip Rules

We are excited for an amazing day of fellowship, growth, and fun together! To make sure everyone has the best—and safest—experience possible, we ask all youth to follow the guidelines below. These simple rules will help us stay organized, protect one another, and enjoy every moment of our trip. Let's make this a day to remember!

- 1. All youth must stay with their parent/guardian, assigned chaperone, or youth leader at all times.**
- 2. All participants must wear seat belts while traveling to and from the event.**
- 3. No headphones are allowed. Cell phones must remain in pockets or purses unless needed to contact a parent/guardian or permitted by a leader.**
- 4. Respect all leaders, chaperones, parents, and fellow students at all times.**
- 5. Follow all instructions given by youth leaders and chaperones promptly.**
- 6. Stay together as a group—no wandering off or separating from your assigned leader/chaperone.**
- 7. Use respectful behavior in all public areas—no roughhousing, loud or disruptive behavior, or inappropriate language.**
- 8. Participate in all activities and be a positive example to others.**
